

# Massive Conferences

*Innovation. Research. Education*

## **Tentative Program**

**5th International Conference on  
Plant Science and Molecular Biology  
September 26-28, 2024, Prague, Czech Republic**

**September 26 @Prague**

Keynote slots available

accepted abstracts & Interested

Speaker slots available

Poster slots available

Delegate slots available

Title: Bidirectional Effect of Exogenous Antioxidants

Bouayed, Université de Lorraine, France, Metropolitan

Title: Biodegradation Potential of Selected Micromycetes Against  
Dyeing Unit Effluents of Sapphire Industry, Raiwind Road Lahore

Hajra Khalil, University of Tartu, Estonia

Title: Biological control of the root-knot nematode (*Meloidogyne incognita*) on eggplants with various chitinase-producing *Streptomyces* strains

Amr Mohamed Atif, Agriculture- Zagazig university, Egypt

Title: To Be Announced

Heni Hitaj, Freie Universität Berlin, Germany

Title: Modelling and tracing green house gases rupturing stratopause rate of the earth using radionuclides Curium rutherfordium inter atomic nuclear chain reaction in space with helium nuclide

Niranjan Kumar, International R &D Consultant Pvt Ltd, India

Title: To Be Announced

Johanna Knab, University of Erlangen-Nuremberg, Germany

Title: To Be Announced

Hala Amin, Agriculture research center, Egypt

Title: To Be Announced

CRISTINA PONCE LILLY, University of Edinburgh, UK

Title: To Be Announced

David Scharf, Max Planck Institute of Plant Physiology, Germany

Title: To Be Announced

Leila MEDRAOUI, Mohammed V University, Morocco

Title: To Be Announced

Yana, Moscow State University, Russian Federation

Title: To Be Announced

MirthevanBuyten, VIB-UGent Center for Plant Biology, Belgium

Title: Field response and molecular screening of European wheat germplasm against powdery mildew at the Himalayan region of Pakistan

Iqbal, International Maize, Wheat Improve Center, Pakistan

Title: To Be Announced

Carmen Morales-Rodriguez, Tuscia University, Italy

Title: To Be Announced

Ines HARZLI, Ondokuz Mayis University, Turkey

Title: To Be Announced

Arpita, Department of Botany, University of Lucknow, India

Title: To Be Announced

Khaled F M M Salem, University of Sadat City, Egypt

Title: To Be Announced

Anjani Kammili, Indian Institute of Oilseeds Research, India

Title: To Be Announced

M Malek Faizal Azizi, Malaysian Nuclear Agency, Malaysia

Title: A Comparative Role of Competent Microbes for Value-added Composting of Agricultural Waste

Urooj Naeem, Government College University, Pakistan

Title: To Be Announced

Nandan Singh, Kumaun University, India

Title: To Be Announced

Anita, Indian Council of Agricultural Research, India

Title: To Be Announced

Saurav Kumar Mishra, University of North Bengal India, India

Keynote slots available

accepted abstracts & Interested

Speaker slots available

Poster slots available

Delegate slots available

Title: First records on Genetic diversity and population structure among cowpea accessions from the south of Algeria using simple sequence repeat (SSR) markers

Basseddik aida, ENSA, Algeria

Title: To Be Announced

Nadiia Yamborko, Institute of Microbiology & Virology, Ukraine

Title: The genus *Hericium erinaceus* is one of the most cultivated mushroom in the world

Akbar, Tarbiat Modares University, Iran

Title: Deciphering the antimicrobial potential of *Taxus wallichiana*  
Zucc: Identification and characterization using bioassay-guided

Priyanka Adhikari, NIPER Guwahati, India

Title: To Be Announced

Shahidul Islam, Agricultural Research Institute, Bangladesh

Title: Suppressive role of Viola odorata extract on malignant characters of mammosphere-derived breast cancer stem cells

Saghar Yousefnia, Semnan university, Iran

Title: To Be Announced

Rashi Tyagi, Indian Institute of Technology Delhi, india

Title: To Be Announced

Deepti Prabha, HNB Garhwal University, India
